SECTION 2 — INCIDENT INFORMATION

Date of Incident	Approximately 10–11 March 2025; exact date uncertain as property was unoccupied
Time of Incident	Not known — claimant was on a business trip; property was unoccupied throughout
Location	Flat 4B, Lotus Heights, Andheri West, Mumbai — 400053
Weather Conditions	Claimant believes heavy rain preceded the event based on neighbour reports; no independent meteorological data has been attached
Incident Description	On returning from a three-day business trip on 11 March 2025, the policyholder discovered extensive water ingress through the bedroom ceiling and a partial collapse of the plasterboard false ceiling in the living room. The claimant states the adjacent flat (Unit 4A) had reported a burst water supply pipe on the morning of 10 March, which may be the source of the ingress, but no written confirmation or plumber's report has been obtained from the neighbour or the housing society as of the filing date. The claimant also mentioned in passing that a laptop and two external monitors in the study may have been damaged by water, though no inventory or assessment has been provided. The building management committee has been notified verbally but has not yet submitted a maintenance or inspection report.
