| Date of Incident        | 14 May 2026                                                                                                                                                                                                                                                                                                                                      |
| Time of Incident        | 11:00 PM                                                                                                                                                                                                                                                                                                                                         |
| Location of Incident    | Outer Ring Road, Bangalore, Karnataka                                                                                                                                                                                                                                                                                                            |
| Weather Conditions      | Night-time; moderate traffic                                                                                                                                                                                                                                                                                                                     |
| Description of Incident | Claimant reports a rear-end collision at high speed. However, the witness statement collected at the scene is inconsistent with the vehicle damage pattern. The claimant's account appears staged according to the preliminary field assessor note. The alleged third party has not been traceable. Possible fraud indicators noted by assessor. |

## SECTION 3 — INVOLVED PARTIES

|                 |                              |
